The Missouri Compromise was United States federal legislation that admitted Maine to the United States as a free state, simultaneously with Missouri as a slave state, thus maintaining the balance of power between North and South in the US Senate. As part of the compromise, the legislation prohibited slavery north of the 36°30' parallel except for Missouri.

**Education And National Development A Comparative Perspective**

- [Kim] So, the Missouri Compromise is when we have enough people living in Missouri. These are white people, generally, who have come from the Eastern states, and they apply for statehood. You've got an equal number of slave states and free states already in Congress, so if Missouri comes in and they wanna be a slave state, they're going to ...
