Chapter 1

This chapter is full of details about Winston's work life: from the speakwrite, a contraption into which Winston speaks the articles that will be later written (speaking and writing here considered opposites), to the memory holes in which "records" are thrown, not to be remembered and documented, but to be destroyed. The reader should note that Orwell consistently names items, processes, and events antithetically to their intents, results, and purposes and thereby makes Winston's world more ...

Chapter 4
