5.0 out of 5 stars Tony Judt's "A Grand Illusion". I have discovered Judt's work only in the last few years. His writing and thinking is lucid, and his analysis and ideas provocative in the good sense. His different views of many of the problems facing contemporary Europe are as important as they are unconventional.

1. The European community was founded nearly forty years ago, with the stated object of promoting the "ever-closer" union of its members. It is a remarkable accomplishment, albeit not quite so remarkable as its advocates suggest. There are few who oppose its objectives in principle, and the practical benefits it affords its members, such as [...]
