A Million Little Pieces (2018) - IMDb

A Million Little Pieces is a book by James Frey, originally sold as a memoir and later marketed as a semi-fictional novel following accusations of literary forgery. It tells the story of a 23-year-old alcoholic and abuser of other drugs and how he copes with rehabilitation in a twelve steps-oriented treatment center. While initially promoted as a memoir, it later emerged that many of the events described in the book never happened.
