The Elephant in the Living Room is an award-winning documentary film about the highly controversial American subculture of raising and keeping exotic animals and wild predators as common household pets.

The Elephant in the Living Room

The expression "elephant in the room" or "the elephant in the living room" is a metaphorical idiom in English for an important or enormous topic, question, or controversial issue that is obvious or that everyone knows about but no one mentions or wants to discuss because it makes at least some of them uncomfortable or is personally, socially, or politically embarrassing, controversial, inflammatory, or dangerous. It is based on the idea/thought that something as conspicuous as an elephant can ap

Elephant in the room - Wikipedia

The Elephant in the Living Room (or "in the Corner" or "on the Sofa") is a large topic or problem which, though obvious to everyone, is deliberately or conspicuously not discussed. In most cases, this is used to create comedic tension; for example, when a character has a Big Secret he must struggle to divert conversation away from.

The biologist then compared his plight to the old quip about the elephant in the living room. He said that "creation design" is: "like an elephant in the living room. It moves around, takes up an enormous amount of space, loudly trumpets, bumps into us, knocks things over, eats a ton of hay, and smells like an elephant.

The Elephant in Evolution's Living Room : Christian Courier

In 2013, Elder Uchtdorf referenced an ancient parable entitled "Elephant in the Dark.". The story was written by a Sufi poet named Rumi in the 13th century. In the parable, Rumi describes a group of people encountering an elephant for the first time. Each member of the group approaches the elephant in the dark, and each comes away with a different understanding of what the creature is: One person who encounters the leg describes the

creature as a temple column.
