Battles On The Tigris The

The battle of the river Tigris was an engagement between the Diadochi Seleucus and the Antigonid general Nicanor, on the southern bank of the river Tigris in the year 311 BC. Nicanor was on route to recapture the city of Babylon from Seleucus, but he was defeated when Seleucus surprised him with an assault on his camp during the night, forcing Antigonos to cease hostilities with the other Diadochi, in order to concentrate his efforts on

battle of the Agathocles' military expedition to Libya. Even though heavily outnumbered by the Carthaginian army, the soldiers of Agathocles were far more experienced in warfare than the Carthaginian citizen soldiers. Another important factor was the terrain, which prevented the Carthaginians from using their numbers to outflank Agathocles. The Carthaginian suffered a ser
