Make sure you have life insurance if your spouse or children will need financial support after you die. Think about long-term care. "Stay out of a nursing home if you can," Sabatino says.

### **Putting Affairs in Order Before Death**

"Die before you die"...this is a phrase from the Zen and Sufi spiritual traditions, and I recently got to see the meaning of it up close. For a month, I watched my 97-year-old father decline, leading to a peaceful death last week. He felt good about his life, and was initially accepting once he realized that his body was starting to change.

"LIVE before you die" by Daniel Kolenda is a deceptively easy read. Each of the four sections is divided into five relatively short chapters; the pace is quick and easy to follow. Because every chapter could be expanded into a book of its own, I initially thought the overall effect would be light, an introduction of sorts to this important topic.
