Advice on bid strategy, bidding for contracts, winning tenders, and improving the quality of RFP request for proposal responses. Bidding for opportunities is an expensive and often unrewarding process, with low win ratios and high cost of bidding being typical across most market sectors. For example, if it costs £20,000 per opportunity to bid and your win ratio is 1 in 5, your cost of winning one opportunity is £100,000, so before you bid for an opportunity it is important to consider bid ...
