John Bogle Quotes on Mutual Funds and Index Investing

Bogle believed this is an important analysis to be taken into account as short-term, risky investments have been flooding the financial markets. Bogle is known for his insistence, in numerous media appearances and in writing, on the superiority of index funds over traditional actively managed mutual funds. He contends that it is folly to attempt to pick actively managed mutual funds and expect their performance to beat a low-cost index fund over a long period of time, after accounting for ...
