## Chapters To Study In Life

The clarity generated from looking at life through stages or chapters is amazing. It's especially pertinent for me as an even-decade New Year approaches on the heels of my 40th birthday. The idea of seeing life through stages or chapters was first meaningful to me in my early twenties, when I read Robert Clinton's, *The Making of a Leader* .

Life chapters are less clearly delineated, but neither are they preordained and permanent. To take a lead in your own life keep two things in mind. 1) Your current experience is a single chapter in your life, and your life is a book with many chapters. 2) You are the author of that book. If the current storylines are too derivative and ...
