AFTERLIFE: GREEK AND ROMAN CONCEPTS. As is the case with other cultures, the Greeks and Romans entertained a variety of ideas about the afterlife, some of which were mutually exclusive; they called on different ideas as the situation required. Thus, they spoke of the dead as present and angry when ill luck and a guilty conscience suggested that the deceased might be wreaking vengeance; they spoke of them as potential benefactors when paying them cult; and on yet other occasions they spoke of ...

Afterlife: Greek and Roman Concepts | Encyclopedia.com

Are any of the religious conceptions of an afterlife promising from a philosophical point of view? There are five sections in this entry. In the first, we propose that beliefs about death and the possibility of an afterlife are of enduring significance because of our care for persons here and now, and thus our concern for their future and our own.

Afterlife (Stanford Encyclopedia of Philosophy)

Conceptions of the Afterlife Great Valley Kindred often finds itself in opposition to sentiments in mainstream Asatru/Heathenry. One of these areas where we find ourselves nonplussed is the topic of a Heathen afterlife. The very obsession with death and afterlife is misplaced, as we will discuss.

Conceptions of the Afterlife - Great Valley Kindred

Our imaginings about the afterlife, both after death and after the end of history, are a testimony to the hope that many have had, and still do, for an extension of life beyond the grave. They speak to the desire for light beyond the darkness of death; for ultimate goodness beyond present evils; and for final justice over earthly inequities.

(PDF) Concepts of Death and Afterlife Beliefs: A Coherent View

In Mesopotamian conceptions of the afterlife, life did not end after physical death but continued in the form of an *etemmu*, a spirit or ghost dwelling in the netherworld. Further, physical death did not sever the relationship between living and deceased but reinforced their bond through a new set of mutual obligations.

Harrowing of Hell - Wikipedia

The Catholic conception of the afterlife teaches that after the body dies, the soul is judged, the righteous and free of sin enter Heaven. However, those who die in unrepented mortal sin go to hell. In the 1990s, the Catechism of the Catholic Church defined hell not as punishment imposed on the sinner but rather as the sinner's self-exclusion from God.

Afterlife - Wikipedia

AFTERLIFE: CHINESE CONCEPTS It is commonly accepted that conceptions of soul and afterlife must have developed among many human societies — China included — long before the appearance of written evidence. Unsparing efforts to discover traces in archaeological remains have yielded varying degrees of success.

In its essence, however, it is life according to God's kind of eternity—i.e., perfect, sharing in his glory and bliss (Romans 2:7, 10). "Eternal life" in the Christian sense is thus not identical with "immortality of the soul"; rather, it is only to be understood in connection with the expectation of the resurrection.
