How to Make a Megaphone With Construction Paper | eHow ...

Lay the poster board or thick paper out on a flat surface, decorated side down. Let any paint or glue dry first. Start rolling the paper up from one corner. As you roll the paper or poster board up, it should take on the shape of a cone. If you start from the short or long edge of the paper, the megaphone will simply be a cylinder 1. This shape does not carry your child's voice as far or amplify it as much as a cone shape.
