### **Creative reckonings : the politics of art and culture in ...**

Her first book Creative Reckonings: The Politics of Art and Culture in Contemporary Egypt (Stanford University Press, 2006) examined the intense debates over cultural authenticity and artistic value that accompanied market liberalization in Egypt in the 1990s and early 2000s. It developed the concept of reckoning to analyze how art became a primary site for dealing with the legacies of colonialism, socialism, and modernism in a context of competing state and private market interests in culture.
