Psychology in Modules: Psychology in Modules, a full-length introductory psychology text (identical to the full-length Psychology except organized into 55 short chapters called modules) published by Worth Publishers. The easy-to-digest modules (averaging 12 pages) have few cross-references. This enables instructors to assign the modules in their own preferred order.

Psychology in Modules - David Myers

This modular version of Myers's full-length text, Psychology, reflects the author's research-supported belief that many students learn better using a text comprised of brief modules, as opposed standard-length chapters. Psychology, Eighth Edition, in Modules breaks down the 18 chapters of Psychology into 58 short modules, retaining that acclaimed text's captivating writing, superior pedagogy ...
