Response to Decolonizing the Mind - PHDessay.com

Decolonizing the Mind became useful as a conceptual tool through which to understand the ways in which power imbalances were practiced as culturally encoded automated reflexes. According to Health, Nombuso Dlamini et al, "to decolonize one's mind is a life-long process, as well, systems of domination and subordination are not necessarily easy to identify when situated within unofficial cultures, that is, in interpersonal politics (within the negotiation of relation of power by ...
