The Book: Design For How People Learn “Frankly, this is the best book on learning design I've seen for the beginning designer, particularly those who haven't had the necessary foundations and experience. This is the quick start anyone designing learning should use to get to success the fastest.” — Clark Quinn, Author and Learning Expert

Usable Learning - Design for How People Learn

Learning designs should show the learners how something new is useful and easy to use. Try to ensure your learners get the opportunity to observe and personally try new processes or procedures. Learners need to feel a sense of self-efficacy with the new challenge or skill. Use opinion leaders as examples.

aren't smart people. A big part of this goes back to our elephant and rider. Frequently, the rider knows, but the elephant still does. We learn from experience Part of the reason for "I know, but..." is that people learn from experience, which is a great thing (we wouldn't want to live in a world where people didn't), but
