## Engine Oil Used By Ford

Ford's Motorcraft brand motor oils are usually synthetic-blend oils, though certain more "exotic" and less commonly used grades of Motorcraft oil are actually full synthetic. If you get an oil change at a Ford dealership service shop, Motorcraft brand oil is likely the oil they'll use. Using a different brand or having the oil changed somewhere else etc., won't void the factory warranty.

## What kind of Synthetic Oil does Ford use? | Ford

Modern detergent oil additives in engine oil keep your engine components free of contaminants and sludge to prevent the oil from thickening. Multi-grade oil is a good option if you live in a climate
