Equality And Partiality

Derived from Thomas Nagel's Locke Lectures, Equality and Partiality proposes a nonutopian account of political legitimacy, based on the need to accommodate both personal and impersonal motives in any credible moral theory, and therefore in any political theory with a moral foundation. Within each individual, Nagel believes, there is a division between two standpoints, the personal and the impersonal.

Equality and Partiality by Thomas Nagel | 9780195069679 ...

equality, or equality before the law, or we believe that everyone has equal rights, or that everyone's interests should be given equal weight. ^ Though these kinds of equality are of great importance, they are not my subject. I am concerned with people's being equally well off. To count as Egalitarians, in my sense, this is the kind of equality ...

Equality or Priority?' - Rutgers University

But the book is a very good, *clear* exposition of the moral underpinnings of a defense of equality. Nagel takes the view that there are certain impartial values that call us to action, that the personal view entails a partiality toward one's own goals that does not adequately constitute a moral point of view.
