Ethical Dilemma Situations. Ethical dilemmas occur all too frequently in everyday life. There is rarely a clear answer regarding right and wrong. Instead of being able to rely on external standards, people have to rely on their morals and values to navigate such situations.

Ethical Dilemma Examples - YourDictionary.com

Utilitarianism is one of the most common approaches to making ethical decisions, especially decisions with consequences that concern large groups of people, in part because it instructs us to weigh the different amounts of good and bad that will be produced by our action. This conforms to our feeling that some good and some bad will necessarily be the result of our action and that the best action will be that which provides the most good or does the least harm, or, to put it another way ...
