All exam questions are marked twice. The member of staff who gave the lecture module marks the exam questions first, in red ink. The marked exams are then given to a second marker who evaluates the marking against the marking scheme, checking that they agree with the first marking and that all submitted answers have been seen.

Examination and assessments | About | Imperial College London

Chinese imperial examinations were a civil service examination system in Imperial China for selecting candidates for the state bureaucracy. The concept of choosing bureaucrats by merit rather than birth started early in Chinese history but using written examinations as a tool of selection started in earnest during the mid-Tang dynasty. The system became dominant during the Song dynasty and ...

Imperial examination - Wikipedia

There is no College-wide entry test although some of our departments do use external admissions tests as part of their admissions process.. Where this applies, you will be responsible for registering for the test yourself so make sure you take note of relevant registration deadlines and test dates.. The following courses use the BioMedical Admissions Test (BMAT) as part of the selection process:

Admissions tests | Study | Imperial College London

The civil service examinations of Imperial China allowed the state to find the best candidates to staff the vast bureaucracy that governed China from the Han Dynasty onwards (206 BCE - 220 CE). The exams were a means for a young male of any class to enter that bureaucracy and so become a part of the gentry class of scholar-officials.
