Facing The Shadow Starting Sexual

Starting with those gentle words, he guides readers through a series of reflections and exercises that pierce denial and light the path to healing from sex addiction. Facing the Shadow, used by thousands of therapists with their clients, is based on the thirty-task model of recovery from addiction that forms the basis of Carnes's work. This newly revised and expanded edition takes readers through the first seven of those tasks, including specific performables that are built in to the exercises.

Facing The Shadow 3rd Edition Starting Sexual And ...

Facing the Shadow is good work book for those of us that have some sexual addiction issues. It is definitely not for the light of heart. My therapist recommended that I get it and begin working through it. It gets incredibly deep and uncomfortable. However it really begins to break down the denial that we so often carry around.
