Ginny Wiehardt. Updated April 13, 2020. A metaphor is a literary device writers use to make their writing more evocative. Without going into wordy explanations, a writer can use the figurative language of a metaphor for illustrative purposes or to highlight the similarities between two different ideas, activities, or objects. A metaphor is made up of two parts, a tenor, which is the subject of the metaphor, and the vehicle, which is the thing that illustrates the metaphor.
