Freelander propshaft bearing, replacement my way probably not the best way, but an idea.

## **Freelander propshaft bearing, replacement.**

I own a Freelander and have done for many years which is why I'm a member of this forum. Photo of the complete VCU and prop shaft assembly below. Not all Freelander 1's have the damper (item 7) fitted. My v6 doesn't. The smoother running engine's don't have the damper fitted. The damper can fall off and spin round the VCU's shaft as you drive.
