Lots of different fruits, cut horizontally and vertically, growing on trees, etc. First Discovery (published in English by Moonlight Publishing and Scholastic) books are wonderful for small children. Detailed, realistic illustrations, spiral-binding lays flat, and (especially nice!) the coated pages are easy to wipe clean and difficult to tear.

This is our first taste of the "First Discovery Book" collection. FRUIT is her favorite book! We read it at least 10 times a day! The age group for this book is actually 4-and up but Hope Elizabeth is nearly 2 and she can't get enough of the clear pages that reveal the inside of the delicious fruit.
