Women are typically the experts in “rapport talk” which refers to the types of communication that build, maintain, and strengthen relationships. Rapport talk reflects skills of talking, nurturing, emotional expression, empathy, and support. Men are typically the experts in task accomplishment and addressing questions about facts.

Gender Issues: Communication Differences in Interpersonal ...

This text introduces undergraduates to the ways in which gender images of masculinity and femininity affect communication and the way we live. It reviews theories and research on relationships among gender, culture, and communication, overviews the history of women's and men's movements in the US, and examines gendered verbal and nonverbal communication.

Gendered Lives: Communication, Gender and Culture ...

Gendered communication has a long history — from religious texts to Mars and Venus. However, communication researchers have only been examining it for about 50 years. Initially, research
