14. Dictation. One of my very favorite teaching activities is Dictation! It is highly effective in engaging students because it is multisensory explicit phonics instruction—involving: auditory, visual, kinesthetic, and tactile senses. Having a multisensory approach increases working memory and integrates all language skills/modalities.

14 Activities That Increase Student Engagement During ...

instructional activities, which scaffold the control of the student (Bruner, 1982). This combination of activities facilitates a gradual transition from the students' zones of proximal development or what children can do with assistance, to full and independent control (Vygotsky, 1978).
