The Indus Valley Civilization covered a large area around the Indus River basin and beyond in late Bronze Age India. In its mature phase, from about 2600 to 1900 BCE, it produced several cities marked by great uniformity within and between sites, including Harappa, Lothal, and the UNESCO World Heritage Site Mohenjo-daro. The civic and town planning and engineering aspects of these are remarkable ...

Visual arts of India and Sri Lanka (Ceylon) Indian art is the term commonly used to designate the art of the Indian subcontinent, which includes the present political divisions of India, Kashmir, Pakistan, and Bangladesh. Although a relationship between political history and the history of Indian art before the advent of Islām is at best problematical, a brief review will provide a broad context.
