The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

## Jangkrik

The Jangkrik project took on two challenges simultaneously: the construction, in Indonesia, of all the modules for gas treatment and processing (topside facilities) in a single large Integrated Topside Module (ITM); and the building of the Floating Production Unit (FPU) in Korea. The FPU travelled from the Korean construction site to the Topside Facilities construction site in Karimun, Indonesia.
