Laney products are designed with ease of operation as a primary objective, however to ensure you derive the best from your new amplifier, it is important you take time to read this user manual and to familiarise yourself with the control functions and facilities available.

Laney Tube Fusion-II TF200-II Operating Instructions Manual

Great amp, especially for the intermediate player on a budget ie uni student. Huge range of sounds. If stolen id probly look for an old little tube combo about 15watts or so, and mic it up because my tastes are changing somewhat. But if one of these came up at the right price again id go for it. ...

Used Laney TF400 Guitar Combo Amp | Guitar Center

The manual is clear and sufficient? I bought used without the manual, but there is no real need. Finally, even when I sent an email to support Laney to see if I could have one, the guy sent it to me in The Day (in English). SOUNDS I play mostly rock (a little while) and even a little punk and this amp is perfect.
