of language contact and language conflict. This is due to its complex linguistic situation mirroring the former colonial domination. Such language contact situation between Arabic and French is not different from other language contact situations elsewhere in the world. In Algeria it led to social competitions and linguistic conflict.

### Language Contact and Language Conflict - Tlemcen

Linguistically, conflict between different ethnic groups often results from language contact. Problems viewed as political, economic or sociological in nature are often actually rooted in linguistic conflict. In the literature, however, contact has overshadowed conflict. In addition, the emphasis in contact research has traditionally focussed on closed, homogeneous groups rather than on urban industrial societies in which social and linguistic conflict are important factors.

"A further type of language contact involves exogamous communities where more than one language might be used within the community because its members come from different areas. ... The converse of such communities where exogamy leads to multilingualism is an endogenous community which maintains its own language for the purpose of excluding outsiders. ...

### **Definition and Examples of Language Contact**

Language contact occurs when speakers of two or more languages or varieties interact and influence each other. The study of language contact is called contact linguistics. When speakers of different languages interact closely, it is typical for their languages to influence each other. Language contact can occur at language borders, between adstratum languages, or as the result of migration, with an intrusive language acting as either a superstratum or a substratum .

LANGUAGE CHANGE AND LANGUAGE CONTACT. Sarah G. Thomason University of Michigan Mainstream historical linguistics came rather late to the knowledge that language contact can, and often does, lead directly to structural linguistic changes. Leading gures expressed a rm belief in severe constraints on structural interference; Meillet, for instance, believed that grammatical loans can only occur when the source and receiving systems are very sim- ilar (1921:87), and Jakobson argued that 'a ...
