Learn more about using the public library to get free Kindle books if you'd like more information on how the process works.

### Late Night Discussions On The

As a fan of The Goal and other TOC business novels, Late Night Discussions is an interesting supplement to inspire further thinking about TOC. However, I am a bit disappointed at how flimsy a book it is. At 70 pages, it's little more than a pamphlet. It says so clearly in the product description, but it was still a surprise!

When discussing privilege in Late Night, the focus is on how the privilege of one character colors the way they perceive (and are perceived by) other characters. It is the foil, and somehow parallel, of tokenism. It's a fascinating way of studying the concept that is quite innovative, coming from Late Night. Late Night as a Feminist Portrait
