Marching To The Fault Line

"Marching to the Faultline" tells the full story of the strike from confidential cabinet meetings at Downing Street to back room negotiations, and life on the picket line. The book draws on previously unseen sources from interviews with the major figures, private archives and documents obtained under the Freedom of Information Act to set the record straight.

Marching to the Fault Line: The Miners' Strike and the ...

As the old adage goes, the victor gets to write the history - and so it is that history tells us Thatcher smashed the unions and freed Britain, putting us on a path of unparalleled prosperity. She didn't, but hey - she won, she writes the version. Which is why books like Marching To The Fault Line are so important.
