The wiring in mine is a bit of a mess at the moment with a Wolf-3D computer installed. It is currently in the process of having all of the wiring stripped out and a new Autronics SMC computer installed. I have been collecting documents on Mi16 wiring and found the following document/email that I think might help you out.

direct to chassis at the same point as the battery ground cable. Initially I was going to use a relay switched by a 12V outlet, however I am curious if ignition sense might work better in my situation.

Radius M1225 wiring and ignition sense help ...

The ignition coil is nothing more than an electrical transformer. It contains both primary and secondary winding circuits. The coil primary winding contains 100 to 150 turns of heavy copper wire. This wire must be insulated so that the voltage does not jump from loop to loop, shorting it out.

Ignition Systems A Short Course | CarParts.com

OK, now that you know about the ignition switch and the wiring harness, you should understand their roles. As I said earlier, I consider the ignition switch to be the gatekeeper. It is the master control switch in the vehicle and ultimately allows the passage of power to all of the vehicle's accessories—save for any that function with the ...

Automotive Ignition Switches, Wiring Harnesses and Controllers

Remove the trim around the steering wheel. There are likely a number of plastic trim pieces between you and the ignition switch. Remove them carefully by either popping them off of their plastic clips or removing the screws and bolts that hold those pieces in place. Refer to a vehicle specific repair manual for guidance on how best to gain access to the ignition switch.

How to Replace an Ignition Switch: 15 Steps (with Pictures)

History. The first instance of an organisation which would later become the DMI was the Department of Topography & Statistics, formed by Major Thomas Best Jervis, late of the Bombay Engineer Corps, in 1854 in the early stages of the Crimean War.. In 1873 the Intelligence Branch was created within the Quartermaster General's Department with an initial staff of seven officers.
