Midnight in America: Darkness, Sleep, and Dreams during ...

America's Civil War Midnight in America takes a unique look at a rather pedestrian part of human existence—sleep and dreams—and how the experience of war and separation from loved ones often revealed underlying anxieties, fears, and hopes through individual dreams. Mining an astonishing amount of primary source material, White brings us closer . . . to the common soldier, often right into the private exchanges between spouses sharing their most tender dreams of the other.--

Amazon.com: Midnight in America: Darkness, Sleep, and ...

The Civil War brought many forms of upheaval to America, not only in waking hours but also in the dark of night. Sleeplessness plagued the Union and Confederate armies, and dreams of war glided through the minds of Americans in both the North and South. Sometimes their nightly visions brought the horrors of the conflict vividly to life.

Midnight in America: Darkness, Sleep, and Dreams during ...

In Midnight in America: Darkness, Sleep, and Dreams during the Civil War, Jonathan W. White asserts that “the dreams of Civil War-era Americans ... reveal that generation’s deepest longings—its hopes and fears, its desires and struggles, its guilt and shame” (xiii). The title delimits war-year boundaries, but White’s study goes far beyond the 1860s to trace the work of dreaming in great and humble American lives.

ther from the new "dark turn" historiography, heavily relying on works on death by Drew Gilpin Faust, Mark S. Schantz, and Stephen Berry. White also helpfully discusses a handful of studies on the history of dreaming. Midnight in America is organized into seven thematic chapters, which should be thought of as separate but interrelated essays.
