The Retirement Miracle claims to provide just that vehicle. Author Patrick Kelly presents a method of putting money aside for retirement that (if it works as described) can raise your net worth as the market rises, has no risk of loss, and still proving to be (income) tax free for both you and your family.

### **Book Review - The Retirement Miracle | The Amateur Financier**

Patrick Kelly is an accomplished author of retirement books. His first book "Tax-Free Retirement," and his second book "The Retirement Miracle" were both best sellers. He's written others, but recently I read his short book The Five Retirement Myths. Review of Patrick Kelly's The Five Retirement Myths. Kelly starts off by stating there is a lot of information in the retirement marketplace and it's hard to know who to listen to. Today's retirement space is noisy.
