Introduction. There has been much discussion concerning the various faces of power. Steven Lukes' classical essay entitled: 'Power; a Radical View' was written in 1974 and although the essay was based on the context at the time, it still provides political analysts with a robust and rigorous method to approaching the concept of power and how it operates.

Steven Lukes 'Power; a Radical View' Free Essay Example

Although Lukes claimed that power was an 'essentially contested' concept, he held that his 'radical' view, which owed something to C. Wright Mills' power elite model, was superior to the liberal orthodoxies of American political science in the 1950s and 1960s.

observation. Power is seen as the imposition of internal constraints, and those subject to it acquire beliefs that result in their consent or their adaptation to domination, by either coercive or non-coercive forms. This radical view of power is argued to be empirically useful in the sense that it allows the framing

Power: A Radical View by Steven Lukes - Goodreads

Thirty years ago I published a small book entitled "Power: A Radical View" (hereafter PRV). It was a contribution to an ongoing debate, mainly among American political scientists and sociologists, about an interesting question: how to think about power theoretically and how to study it empirically.

Power: A Radical View | Cassiopaea Forum
