The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author.

## Returning To Sacred World

What is different with these two books is "Returning to Sacred World" is more a manifesto for the use of plant medicines (peyote, ibogaine, ayahuasca, psilocybin) to accelerate the access the knowledge necessary for personal and planetary change. This is the element of the book that resonated the most with me.

## Returning to Sacred World: A Spiritual Toolkit for the ...

Returning to Sacred World is an unusually articulate integration of ancient mystical wisdom and contemporary personal insights about how consciousness is shifting and transforming during these evolutionarily-crucial times. Stephen Gray has a strong, clear voice, and a wide-ranging, shamanically-knowledgable perspective.

The exact nature of the Sacred World is currently unknown as it was never seen in the movie itself. The Var Dohr Sacred Ritual of the Nordic Coven transports the subject's consciousness to the Sacred World. When they return to their body, they acquire heightened spiritual comprehension along with, occasionally, augmented abilities.
