Accurately calculate & apply sales & expenditure to a P&L, and outline the main factors influencing your income performance.

## **5 Steps to Increase Your Pub's Profits**

By Ray Foley, Heather Dismore . Running a bar isn't for the faint of heart. Besides the daily needs of running a bar — for example, what condiments to keep behind the bar and what to put on the menu — you also have to deal with the rigors of management, such as keeping your employees honest, staying on the right side of your state alcohol control board, and dealing with patrons who've ...
