Six months to live, written by Lurlene McDaniel was the book I chose to read. This book was about a young girl named Dawn who got Cancer and this story told the audience about her life before, during and after her cancer. It goes over Dawn's life changes with her friends, family, and her own personal mindset.

When the doctor tells you that you've got six months to live everything falls into proper perspective pretty quickly. I've never been told those words personally but I was in the room when they were said to my step dad, Ed. At the time it had a profound effect on me and everything I did had more meaning than ever before.
