Four Essentials of a Financial Plan. Insurance. Share. True financial planning involves both short-term and long-term goals. Most people are able to create and often meet short-term goals, but long-term goals may not come as easy. They require more thinking, looking at the future, and planning for a time that may feel far down the road.

ESSENTIALS OF PERSONAL FINANCIAL PLANNING. Essentials of Personal Financial Planning was written to challenge the status quo by promoting personal financial planning (PFP) as a profession, not as a sales tool to gather assets under management or facilitate sales of insurance products. The book takes a comprehensive and integrated approach to PFP for accounting students, allowing them to view the profession through the lens of a CPA – with integrity and objectivity.
