Bottom line, shadow puppets allow them to be creators instead of the audience, so it's just the right kind of toy for any young artists, writers, directors, or animators. Over the years, we have also created a variety of printable shadow puppet templates suitable for an educational environment.

Shadow Puppet Templates - Adventure in a Box

Cut out the template, trace to corresponding construction paper, and cut out. Affix the inside of the ears and combine the eyepieces. Attach all of the template pieces (use the tabs for the ears to hold the glue and affix). Fold over a small piece of the tail and affix it to the bottom of the puppet (under the mouth section).
