Essay Paper on Country Music. The roots of modern country music go back to post World War II America, a time of great shifts and changes in the social life of the country. For many, the casualties of war were followed by the social changes of the new era. The city (and its suburbs) became the core of America, and migration to these cities, easier credit (and the things it purchased), and the baby boom became new realities to which

the culture had to adjust.
