The book of floating: Exploring the private sea: Hutchison ...

Michael Hutchison (1945-2013) researched and wrote about the uses of float- ing for healing, relaxation, meditation, mastery in sports, preparation for courtroom arguments, and more. The new medical research on floating extends these uses -- and confirms the value of Hutchison's overview. The Gateways Books edition also includes the author's unforgettable added memoir of how his own floating experiences were crucial for him after a tragic accident ("The Enlightenment Explanation," chapter 26).
