### The Brains Way Of Healing

The Brain's Way of Healing describes natural, noninvasive avenues into the brain provided by the energy around us—in light, sound, vibration, and movement—that can awaken the brain's own healing capacities without producing unpleasant side effects. Doidge explores cases where patients alleviated chronic pain; recovered from debilitating strokes, brain injuries, and learning disorders; overcame attention deficit and learning disorders; and found relief from symptoms of autism ...

### The Brain's Way of Healing: Remarkable Discoveries and ...

The Brain's Way of Healing turns that belief on its head, as Doidge lucidly explains how the brain's capacities are highly dynamic, and how its very sophistication makes possible a unique and gentle kind of healing. He describes natural, noninvasive avenues into the brain provided by the forms of energy around us—light, sound, vibration, movement—that can pass through our senses and our bodies to awaken the plastic brain's own transformative capacities without surgery or medication ...
