Within The Equal Opportunities Revolution is a superb analysis of how and why, as a recently published YouGov analysis of voting trends in the 2017 General Election showed, the Labour Party has...

### The equal opportunities revolution - spiked

A radical transformation is coming and it is providing all kinds of equal access to workforces- if implemented in the right way. While the fear of technology has been a constant theme for centuries, the fact that it will replace human workers was only considered after the Industrial Revolution.

### The Revolution of Equal Opportunity through Technology

Equal opportunity, also called equality of opportunity, in political theory, the idea that people ought to be able to compete on equal terms, or on a "level playing field," for advantaged offices and positions. Proponents of equal opportunity believe that the principle is compatible with, and indeed may justify, inequalities of outcome of some sort, but there is considerable disagreement over precisely to what degree and what kind of inequalities it justifies and how it does so.

Most of us learned the key ideas of the Declaration of Independence in school: that "all men are created equal," "endowed by their Creator with certain unalienable rights," that government's job is "to secure these rights." This was a radical departure from the way things had always been. Where did these revolutionary ideas come from? Ben Shapiro explains in this illuminating video.
