The Penguin History Of Britain

The Penguin History of Britain is a popular book series on British history, published by Penguin Books. It appeared in nine volumes between 1996 and 2018, with many of the individual works subsequently being republished in several editions. Its general editor is David Cannadine, who also contributed a volume himself. Collectively, the books in the series span the period 54 BC to 1990 and include:

Penguin - Penguin - Natural history: Many features of the penguin life cycle vary with body size and geographic distribution; the chronology of breeding may also vary within a species in relation to latitude. The majority of species breed only once each year. Certain species, such as the African penguin (*Spheniscus demersus*), probably other members of this genus, and the blue penguin, breed ...
