The Same Stuff as Stars Quotes Showing 1-3 of 3. "You gotta know someone cares about you, or you just give up." — Katherine Paterson, The Same Stuff as Stars. 36 likes. Like. "What is man—and of course the writer means all of us puny little insignificant creatures—what is a mere human being that God who made the immense universe should ever notice?".

The Same Stuff as Stars Quotes by Katherine Paterson

We are made of the same stuff as the stars, so when we study astronomy we are in a way only investigating our remote ancestry and our place in the universe of star stuff. Our very bodies consist of the same chemical elements found in the most distant nebulae, and our activities are guided by the same universal rules.

We Are Made of Star-Stuff - Quote Investigator

For decades, science popularizers have said humans are made of stardust, and now, a new survey of 150,000 stars shows just how true the old cliché is: Humans and their galaxy have about 97 percent...

Humans Really Are Made of Stardust, and a New Study Proves ...

The theory that everyone and everything on Earth contains minuscule star particles dates back further than Moby's popular 2002 song "We Are All Made of Stars." In the early 1980s, astronomer Carl...
