Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

The Short Prose Reader 13th

The Short Prose Reader is a rhetorically organized reader that maintains the best features of the earlier editions: lively reading selections supported by helpful apparatus to integrate reading and writing in college composition and reading courses. In working through the text, the student progresses from key aspects of the writing and reading processes to chapters on the essential patterns of writing and then to more rigorous forms of analysis and argument.
