Trojan Horse of the English Legal Tradition - Oxford Scholarship. Contrasting with French focus on the state administration has been traditional English legal neglect, exemplified in a bifurcated view of individual officials and a Crown somehow separate from its officers. This chapter relates the traditional negation of the distinction between public and private law to that neglect, which it attributes to the lateness of administrative centralization in England and the theoretical insularity ...

Trojan horse, huge hollow wooden horse constructed by the Greeks to gain entrance into Troy during the Trojan War. The horse was built by Epeius, a master carpenter and pugilist. The Greeks, pretending to desert the war, sailed to the nearby island of Tenedos, leaving behind Sinon, who persuaded the Trojans that the horse was an offering to Athena (goddess of war) that would make Troy impregnable.

Trojan horse | Story & Facts | Britannica

The Trojan Horse is a story from the Trojan War about the subterfuge that the Greeks used to enter the independent city of Troy and win the war. In the canonical version, after a fruitless 10-year siege, the Greeks constructed a huge wooden horse and hid a select force of men inside, including Odysseus. The Greeks pretended to sail away, and the Trojans pulled the horse into their city as a ...
