Voices in First Person: Reflections on Latino Identity ...

The reflective voice in memoir is the writer's stance now in relationship to the experience she had then. It's her looking back on that experience from a distance of hindsight and making sense of her past on the page. Writing is, after all, about seeing, and the reflective voice allows you to see your past from a more nuanced view. As Dorothy Allison says, "I am the only one who can tell the story of my life and say what it means."

So, What? The Reflective Voice in Memoir and Why It ...

Writing in first person means writing from the author's point of view or perspective. This point of view is used for autobiographical writing as well as narrative. The first person is an alternative to second person, which uses "you," as in the sentence "You are the smartest person in the room." The first person is also an alternative to third person, which uses "he," "she," or "it," as in the ...

Examples of Writing in First Person

The first person perspective breaks down that barrier and the reader has a sense that they are getting a direct account of the events from a primary source. Readers have a tendency to give a first person voice more authority when they hear it. 3) Helps to Develop Character. Since the only view-point of the novel is the protagonist's the ...
